ENQUIRE FOR OUR DISCOUNTED PACKAGE PRICES Terhi Nordic 6020 open fishing boat/ motor boat. Nordic 6020 - Designed for a fisherman The Terhi Nordic 6020 is born from a boat-type perfected through time and experience by the fishermen. With its classic design the Nordic 6020 has been praised for its high freeboard and extraordinary stability. A clever center seat hinges forward, out of the way, to provide a free, open area while fishing. A moulded-in fish well keeps the catch fresh. Like all Terhi boats, the Nordic 6020 gives remarkable performance with surprisingly little horsepower. A hand-steered 15 hp will push her nicely. Or fit a steering console and 30 hp outboard motor for optimal speed and power. Technical data Length (cm) 462 Width (cm) 187 Weight (kg) 225 Max. Load (pers./kg) 5 / 405 Draft w/o load (m) 0,16 Min.
